

1. You are walking in the woods with the person of your dreams. Do you tell you spouse?
2. You walk deeper into the woods. You see an animal. What is the interaction between you and the sheep.
3. Your walk even further into the woods. You see a fallen log. Describe the size of the fallen log.
4. You walk further and further into the woods. You enter a clearing and see your dream house. You wonder, "Why did I build my dream house way out here?" Is the door open or closed.
5. Describe the size of the house. Does it have a fence around it?
6. You walk into the house and upstairs to the bed room. Describe who is on the bed. Do you tell your Spouse who you fantasize about having in your bed?
7. You walk out the back door and see several containers. What kind of beer is it?
8. You walk to the back yard and see a body of water. You say to yourself, "Why did I build this house out here by this swamp and all of the mosquitoes?"
9. You ask yourself,' Could I use the log in number 3 to cross the body of water?
10. You grab the beer, go back upstairs with the person in number 1. Do you tell your spouse who you would like to spend a night with in bed?
